

Southwest Clean Air Agency
Air Discharge Permit Application Notice

Application Number	CO-1077		
Affected Facility	DH Griffin Wrecking Company, Inc. 4029 Industrial Way, Longview, WA 98632		
Description of Facility	This facility is a portable aggregate crushing plant based in North Carolina. The crushing plant includes a single trail-mounted unit consisting of an impact crusher, vibratory screen, and associated conveyors. The crushing and screening unit is powered by a dedicated diesel engine. An associated stacker conveyor is also powered by a dedicated diesel engine.		
Source Designation	<u>Minor.</u> The facility is a stationary source subject to review under SWCAA 400-110. Facility emissions are less than 100 tpy of any single criteria pollutant, less than 10 tpy of any single hazardous air pollutant, and less than 25 tpy of any combination of hazardous air pollutants.		
Purpose of Application	SWCAA has received a permit application for operation of two new conveyors powered by dedicated nonroad engines at the above described facility. The application has not yet been reviewed to determine if it is administratively complete. The SWCAA permit writer identified below will be reviewing the application to make a determination of completeness and, if necessary, make a request for additional information. A copy of the application will be available to the public when the application is determined to be complete.		
Affected Pollutants	The proposed permitting action is expected to impact emissions of the following pollutants: NO _x , CO, PM, VOC, SO ₂ , HAPs, TAPs		
Public Comment Period	No public comment period is currently scheduled for this application. A 30-day public comment period will be provided upon request for this application/permit pursuant to SWCAA 400-171(1).		
Opportunity for Public Involvement	<p>Any person who wishes to review or comment on this application/permit may:</p> <ul style="list-style-type: none"> • Contact the agency contact person identified below for more information; • Request a public comment period pursuant to SWCAA 400-171(3). Requests for a public comment period must be submitted to SWCAA in writing via letter, fax, or electronic mail no later than the date specified below; and/or • Request a copy of the draft permit via regular or electronic mail when available. Requests for a copy of the draft permit must be submitted to SWCAA in writing via letter, fax, or electronic mail no later than the date specified below; <p>If a public comment period is provided, any person may:</p> <ul style="list-style-type: none"> • Provide comment on the draft permit if a public comment period is provided. Comments must be submitted to SWCAA in writing prior to the end of the designated public comment period; and/or • Request a public hearing for the draft permit. Public hearing requests must be received by SWCAA in writing during the designated public comment period, indicate the interest of the person filing the request, and state why a hearing is warranted. A public hearing will be held if the Control Officer determines that significant public interest exists.
